WEC

MEMORANDUM FOR THE RECORD

Morning Meeting of 6 July 1965

The DCI noted that [] would be coming to Washington this afternoon and indicated that he would turn him over to Dr. Kent.

25X1

There was a short current intelligence briefing.

The DDI noted the current critical state of policy-making re-
garding aid to [] The DCI directed that he be furnished with a
briefing paper to furnish to McGeorge Bundy for the President indicating

25X1

[] He alerted the
DCI to an article in the Current Intelligence Weekly Review of the Soviet
border guards.

Dr. Kent noted that the estimate on [] had been circulated
to USIB members for their concurrence by close of business today. The
DCI, in response to a question, noted that he had left his paper on "Courses
of Action" with Secretary Rusk -- who will return it to the DCI with his
views.

25X1

DDS reported on the loss of an Air America aircraft over the
weekend and noted that sabotage was a real possibility. The DCI directed
that senior officials in Air America be briefed on increasing security pre-
cautions for their aircraft. The Director also requested that close
attention be given to the accident investigation report for follow-up measures.

Mr. Earman noted a successful meeting with the Inspector
General of DIA on Friday.

Mr. Bross reported on a conversation he had with Mr. Coyne
last week re the agenda for the PFIAB meeting this week. The DCI re-
ported that the President will personally approve any new NRO agreement.

25X1 The DCI gave guidance as to how he intends to report to the President's
25X1 Board this week on NRO, and also gave guidance to Messrs. Bross and
25X1 [] on handling the draft of the NRO agreement.

[]
[] The DCI requested that an urgent study
be made of the means by which the Soviets could alert the Viet Cong to
upcoming US B-52 air raids. The DCI questioned whether there was a
SAM site at Haiphong and Mr. [] responded negatively. There 25X1
followed a discussion of whether the large dredge was in Haiphong Harbor.
The DDI reported that all indications were that the dredge had not re-
turned from Canton. 25X1

25X1 DDP noted the cable from the US Ambassador in [] regarding
[] undertaking to train the internal security service there. The DCI
asked Mr. FitzGerald to discuss the situation with Mr. McGeorge Bundy.
He also noted the "walk-in" of a [] 25X1

25X1 The DDCI reiterated ^{his} concern that the place of acquisition of
the [] be held tightly.

25X1 The DCI expressed his concern regarding the political scene in
25X1 [] and discussed his desire that the Agency assure that it has sufficient
